

OUR COMPANY

Godrej Consumer Products is a leading emerging markets company. As part of the over 122-year young Godrej Group, we are fortunate to have a proud legacy built on the strong values of trust, integrity and respect for others. At the same time, we are growing fast and have exciting, ambitious aspirations.

Today, our Group enjoys the patronage of 1.15 billion consumers globally, across different businesses. In line with our 3 by 3 approach to international expansion at Godrej Consumer Products, we are building a presence in three emerging markets (Asia, Africa and Latin America) across three categories (home care, personal care and hair care).

We rank among the largest household insecticide and hair care players in emerging markets. In household insecticides, we are the leader in India and Indonesia and are expanding our footprint in Africa. We are the leader in serving the hair care needs of women of African descent, the number one player in hair colour in India and Sub Saharan Africa, and among the leading players in Latin America. We rank number two in soaps in India, are the number one player in air fresheners in India and Indonesia, and a leader in wet tissues in Indonesia.

But for us, it is very important that besides our strong financial performance and innovative, much-loved products,

we remain a good company. Approximately 23 per cent of the promoter holding in the Godrej Group is held in trusts that invest in the environment, health and education. We are also bringing together our passion and purpose to make a difference through our Good & Green approach to create a more inclusive and greener India.

At the heart of all of this, is our talented team. We take much pride in fostering an inspiring workplace, with an agile and high-performance culture. We are also deeply committed to recognising and valuing diversity across our teams.
