

Board Diversity Policy

June, 2023

The case for boardroom diversity has never been stronger. In today's rapidly evolving business environment, we recognise the power of leveraging diverse perspectives, skills, and experiences to stay competitive. At Godrej Consumer Products, we seek board members with diverse backgrounds and viewpoints, who can provide a wide array of insights and ideas. The advantages of a diverse board extend beyond a social factor to encompass better financial performance, decision-making, innovation, and adaptability to changing market conditions.

Objective

The Board Diversity policy aims to create an environment that values and fosters inclusiveness, embraces a broad spectrum of talent, and champions a culture of meritocracy. The policy strives to ensure that its Board reflects diversity in its broadest sense including but not limited to, business experience, geography, age, gender, nationality, ethnicity, and race. By doing so, we aim to contribute to the company's competitive advantage, stakeholder engagement, and overall business performance.

Scope and Applicability

This policy only applies to the Board of Directors of Godrej Consumer Products. It is crafted in line with Godrej Consumer Products' Code of Conduct and GCPL Human Right policy, which is committed to inclusion and diversity.

Policy Statement

We recognise and embrace the benefits of having a diverse Board and see increasing diversity at Board level as an essential element in maintaining a competitive advantage. Being a global company, we acknowledge to have diversity of thought and nationality to be able to best serve the consumers in regions where we operate. We aspire to maintain a balance with reference to:

- Membership of the Board includes a diverse mixture of skills, professional & industry backgrounds, geographical experience & expertise, gender, tenure, nationality, ethnicity, race, and diversity of thought.
- Board will include and make good use of the differences in the competency of skills, capabilities,

knowledge, industry experience, background, race, gender, nationality and other qualities of the individual members as a whole.

- Board will have diversity in thought and nationality to best represent the consumers served in emerging markets globally.

Diversity Objectives

Our commitment and target is to have at least one woman director on the Board as per the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015. However, our aspiration is to ensure that no more than 50% of any one gender is represented on the Board. We recognise that Board composition may result in temporary periods when we are not able to achieve this balance.

Monitoring & Reporting

The Nomination and Remuneration Committee is responsible for ensuring that the Board has the right balance of skills, experience, and knowledge and, in accordance with its terms of reference, shall: Periodically review Board composition, succession planning, talent development and the broader aspects of diversity.
