

of Zero Waste to Landfill (ZWL) Verification

This is to certify that the verification team from TUV India Pvt. Ltd. has thoroughly examined the data pertaining to hazardous and non-hazardous waste management, including the following processes: Recycling, Reuse, Reduction, Incineration with energy recovery, Incineration without energy recovery, Landfill disposal, Composting, Other applicable disposal methods.

It has been verified and confirmed that:

Godrej Consumer Products Limited Village- Lokhra Charaili, Po-Saukuchi, Dist.-Kamrup, Guwahati, Assam-781040, India

has adhered to TUV India's 'Zero Waste to Landfill' (ZWL) methodology and certification guidelines and has achieved compliance with the criteria for Zero Waste to Landfill – **Platinum Diversion Rate**, as detailed in Annexure 1.

TUV India, as an independent verifier, has issued this statement solely on the basis of data provided by the organization. No environmental claims or potential greenwashing were assessed. A life cycle approach was adopted for waste material disposal, along with vendor undertakings ensuring the consistency and accuracy of the data provided.

Verification Period: 2023-04-01 to 2024-03-31 (Inclusive of both days)

<sup>\*\*</sup> A residual waste quantity equal to 2% of each listed non-hazardous waste material is assumed to remain after the recycling process and is designated for landfilling.

**TUVNORD**GROUP

<sup>&</sup>lt;sup>1</sup> A cradle-to-cradle approach guides ZWL verification, covering waste from generation to final disposal. Waste given to authorized handlers is deemed disposed, with vendor declarations confirming proper diversion practices.

of Zero Waste to Landfill (ZWL) Verification

This is to certify that the verification team from TUV India Pvt. Ltd. has thoroughly examined the data pertaining to hazardous and non-hazardous waste management, including the following processes: Recycling, Reuse, Reduction, Incineration with energy recovery, Incineration without energy recovery, Landfill disposal, Composting, Other applicable disposal methods.

It has been verified and confirmed that:

Godrej Consumer Products Limited Plot No. U-1 to U-5 & U-30, Industrial Area, Malanpur, District Bhind, Madhya Pradesh – 477116, India

has adhered to TUV India's 'Zero Waste to Landfill' (ZWL) methodology and certification guidelines, and has achieved compliance with the criteria for Zero Waste to Landfill – **Platinum Diversion Rate**, as detailed in Annexure 1

TUV India, as an independent verifier, has issued this statement solely on the basis of data provided by the organization. No environmental claims or potential greenwashing were assessed. A life cycle approach was adopted for waste material disposal, along with vendor undertakings ensuring the consistency and accuracy of the data provided.

Verification Period: 2023-04-01 to 2024-03-31 (Inclusive of both days)

Verification Statement No. 8123568615 Ref File No. GCPL\_Malanpur\_ZWL\_FY2023-24

For TUV India Pvt. Ltd. Pune; 2025-05-29 TOVINDIA TO

Waste Diversion Category:

Baseline Diversion Rate: The waste diversion rate not less than 80 % Silver Diversion Rate: The waste diversion rate at least 85 % or above Gold Diversion Rate: The waste diversion rate at least 90 % or above Platinum Diversion Rate: The waste diversion rate at least 95 % or above
