Few takers for airport slots vacated by IndiGo after turmoil

HANDICAPPED. Carriers are constrained by aircraft availability, crew shortage

Rohit Vaid
New Delhi

FLIGHT SLOTS. Airlines have been asked to submit their slot requests and operational readiness

Airlines are being offered airport slots at key stations such as Bengaluru, Hyderabad and Lucknow following the government's move to redistribute slots vacated by IndiGo after its December flight cancellations.

Industry sources said select slots are also being made available on Delhi–Mumbai services.

However, only one airline has expressed interest in a few slots. Most carriers are constrained by limited aircraft availability and crew resources.

On Thursday, the Ministry of Civil Aviation held a meeting with representatives of airlines to outline the process and conditions for the redistribution of vacated slots.

As per an official document, airlines have been asked to submit their slot requests and their operational readiness.

The document stated that airlines seeking the slots will need to demonstrate availability of aircraft, flying and cabin crew as also other operational resources to ensure that the allocated slots are effectively utilised.

Besides, the Ministry indicated that airlines should not cancel or curtail existing services to deploy in the newly allotted slots.

VACATED SLOTS

The vacated slots will be examined for a final view by a 'Slot Coordination Committee' constituted by the Ministry. The Ministry has cautioned that any slots allocated but not utilised as per the stated plan can be withdrawn and reassigned.

> **Goal is to ensure the optimal use of airport** infrastructure amid capacity constraints at major airports

"The goal is to ensure optimal use of airport infrastructure amid capacity constraints at major airports," sources said.

The Centre had directed IndiGo to reduce its flight schedule by 10 per cent across sectors to stabilise operations and curb cancellations. The airline was also asked to avoid high-frequency routes and single-flight sectors, leading IndiGo to lower its capacity.

Its operations are currently limited to 1,860-1,900 domestic flights daily.

CCI probe links Tata, JSW to steel cartel via WhatsApp chats, production data

Reuters
New Delhi

Four major Indian steelmakers — Tata Steel, JSW Steel and state-run SAIL and RINL — disclosed their pricing plans to rivals and coordinated production cuts to reduce supplies, an antitrust investigation report seen by *Reuters* shows.

In the most high-profile antitrust case involving India's steel sector, an investigation by the Competition Commission of India (CCI) found 28 firms colluded on steel prices, meaning they could face hefty fines, Reuters reported exclusively on January 6.

INVESTIGATION REPORT

The investigation report into the four major companies that has not been made public shows the commission reviewed dozens of WhatsApp chats, including from groups named "Friends of Steel", "Tycoons" and "Steel Live Market" that were seized during 2022 industry raids. It analysed pricing changes, sales and production patterns.

Tata Steel, JSW Steel and state-run Steel Authority of India Ltd, or SAIL, and Rashtriya Ispat Nigam Ltd, or RINL, colluded during 2018-2023, the report says.

"There is enough circumstantial evidence... of concerted efforts by SAIL, RINL, JSW and Tata Steel," the commission report, drafted in April 2025, said. The four companies "were influencing the market with the sensitive price information in advance," it said.

Consultancy BigMint estimates the companies account for 44.4 per cent of India's steel market.

Tata Steel in a statement to *Reuters* said it "categorically denies any wrongdoing" and that it determines its prices independently based on prevailing market conditions and other factors.

It added it will submit its detailed responses to the competition commission.

NO RESPONSE

JSW, SAIL and RINL did not respond to requests for comment from *Reuters*. Their executives denied wrongdoing during the investigation, the report said.

The Competition Commission, which does not make any cartel case details public in line with its rules, also did not respond.

The steel case started in 2021 and the companies were in October asked to submit their financial details — typically asked for penalty calculations — and share any final objections.

Senior officials at the commission are reviewing the findings. They have powers to impose fines or overturn investigation findings.

Tata, JSW, SAIL and RINL were not raided in the 2022 operation, but many smaller firms and industry groups were.

RETRIEVED CHATS

The Competition Commission retrieved chats from the phones of other companies' executives that referred to the pricing plans of JSW, Tata, SAIL and RINL.

The report made no mention of any message being written by the four companies' executives, but said the investigators correlated information in the chats with company's actual price changes, and found them to be in synchrony.

One message in 2022 was posted in a group called "TMTTYCOONS" - TMT refers to steel bars used in construction.

It said: "TODAY SAIL INCREASED ₹1000pmt in HR COIL/FLAT products. As per close sources, all primary producers are likely to increase prices."

Have secured major investment commitments at Davos: Maharashtra CM

Our Bureau
Pune

Maharashtra Chief Minister Devendra Fadnavis has said the State has secured major investment commitments at the World Economic Forum 2026, spanning industry, services, agriculture, technology and artificial intelligence, with projects expected to generate large-scale employment across regions.

Speaking at Davos, Fadnavis said Maharashtra was among 10 Indian States represented at the global forum, calling it a matter of pride for the State.

He announced that investment proposals running into several thousand crore rupees had been finalised, with 83 per cent of the agreements involving foreign direct investment (FDI).

According to the Chief Minister, investors from 18 countries have committed to projects in Maharashtra.

The proposed investments will not be limited to the Mumbai Metropolitan Region but will extend to Konkan, Marathwada and Vidarbha. North Maharashtra districts such as Nashik, Ahilyanagar, Nandurbar and Dhule are also expected to attract significant capital inflows.

KEY ANNOUNCEMENTS

Among the key announcements is the development of an Innovation City in the upcoming 'Third Mumbai', to be led by Tata Sons. The Innovation City is envisaged as a future-ready urban hub, with a focus on advanced technology and innovation-led growth.

In addition, a growth centre will be developed at Raigad–Pen, where a commercial hub on the lines of Mumbai's Bandra-Kurla Complex will be created through a partnership between the Mumbai Metropolitan Region Development Authority and the private sector.

Several international companies have expressed interest in investing in the Raigad–Pen Growth Corridor, Fadnavis said.

The Chief Minister described this year's Davos engagement as a significant milestone for Maharashtra in terms of attracting foreign investment, adding that the projects are expected to boost economic growth.

WEF to launch 5 centres for Fourth Industrial Revolution

Press Trust of India
Davos

The World Economic Forum has decided to establish five new Centres for the Fourth Industrial Revolution, including one in India's Andhra Pradesh.

Two such centres are already there in India — one in Mumbai and the other in Telangana.

The Fourth Industrial Revolution Network is a platform for multi-stakeholder collaboration, bringing together public and private sectors to help ensure emerging technologies deliver benefits for society while minimising risks.

Launched by the WEF in 2017, the network brings together independent national and thematic centres across Europe, the Middle East, Asia and the Americas to advance the responsible development and application of exponential technologies.

Besides Andhra Pradesh, the other new centres will be in France, the UK and the UAE. Each centre will work with governments and industry to deliver practical policy frameworks and pilots, address regional priorities , the WEF said.

Steps taken to prevent misuse of codeine-based Phensedyl: Abbott

Our Bureau
Mumbai

Abbott has taken "a series of actions to prevent the misuse and diversion of codeine-based Phensedyl", the healthcare company said, responding to a report indicating that its supply chain was under "scrutiny" in an investigation on the alleged misuse of cough syrups.

Outlining the steps, Abbott said, it included "setting manufacturing and supply limits, eliminating sales incentives for trade, conducting distributor and chemist education programmes, performing business inspections, and supplying only through State FDA-licensed distributors."

The company said, "Several years ago, Abbott developed and continues to market a version of Phensedyl without codeine. During this time, our distributors held the appropriate licences to distribute codeine products and Abbott had a robust process and internal control framework in place to ensure that we sold only to appropriately authorized distributors."

Bandhan Bank making structural changes to revamp underwriting

Mithun Dasgupta
Kolkata

On the back of persistently high slippages, private sector lender Bandhan Bank is making structural changes to revamp underwriting in the microloans or Emerging Entrepreneur Business (EEB) segment to ensure better risk management.

"We are putting business rules into our system so that hardly any discretion or discretion is there in giving the right borrowers the right amount and the right product," Bandhan Bank MD and CEO Partha Pratim Sengupta said during the bank's Q3FY26 earnings conference call.

HIGH NPAS

The bank has been witnessing a high level of non-performing assets (NPAs) in the EEB segment, as total slippages stood at ₹1,314 crore for Q3. In Q1 and Q2, total slippages were ₹1,234 crore and ₹1,590 crore, respectively.

"We want to reduce the stress further down, especially the DPD (Days Past Due) book, and we will prevent the slippages," he said.

"The slippages also came down during the quarter by around ₹280 crore q-o-q. So if this tendency goes on, I think within one or two years, we will have a very healthy book," Sengupta said.

For Q3FY26, credit cost fell to 3.3 per cent from 4.1 per cent for the corresponding period last fiscal. The bank's management remained confident of achieving its credit cost guidance of 1.6–1.7 per cent by FY27-end, with EEB credit costs settling at around 2.5 per cent.

During Q3, the lender sold stressed assets worth over ₹6,800 crore to two asset reconstruction companies — Asset Reconstruction Company (India) Ltd (ARCIL) and Phoenix ARC.

Gross non-performing assets ratio fell to 3.33 per cent from 4.68 per cent a year ago. Net NPA ratio stood at 0.99 per cent compared to 1.28 per cent in Q3FY25.

Bandhan Bank reported a 51.79 per cent y-o-y fall in its net profit to ₹205.59 crore for Q3.

वाहतूक नियमांची पाचवी चूक ठरेल आता शेवटची !

गाडी, लायसन्स होणार रद्द, केंद्रीय मोटार वाहन कायद्यात बदल

सुमेध वाघमारे
लोकमत न्यूज नेटवर्क

नागपूर : वाढते अपघात, बेशिस्त वाहनचालकांमुळे जाणारे निष्पाप जीव पाहता केंद्राने कठोर पाऊल उचलले आहे. केंद्रीय मोटार वाहन कायदा, १९८९ मध्ये बदल करत एका वर्षात पाचवेळा वाहतूक नियमांचे उल्लंघन केल्यास वाहनाचे रजिस्ट्रेशन रद्द व ड्रायव्हिंग लायसन्स कायमचे रद्द करण्याचा निर्णय घेतला आहे.

राज्यात अपघातांचे भीषण वास्तव धक्कादायक आहे. जानेवारी ते नोव्हेंबर २०२३ दरम्यान ३१,९५९ अपघातांत १३,९२१ जणांचा मृत्यू झाला. २०२४ मध्ये ही संख्या वाढून ३२,७८३ अपघातांत १४,१८५ मृत्यू झाले, तर २०२५ मध्ये ३३,००२ अपघातांत १४,०६६ जणांना जीव गमवावा लागला. दंडाच्या रकमा वाढवूनही अपघात कमी न झाल्याने, सरकारने आता थेट वाहनचालकांवरच कारवाईचा बडगा उगारला आहे.

आता कायमस्वरूपी कारवाई होणार

एखाद्या वाहनचालकाने एका वर्षात पाचवेळा वाहतूक नियम मोडले, तर संबंधित वाहनाचे नोंदणी प्रमाणपत्र (रजिस्ट्रेशन) रद्द होईल, सोबतच ड्रायव्हिंग लायसन्स कायमस्वरूपी रद्द होणार. याचा अर्थ, असा वाहनचालक पुन्हा रस्त्यावर वाहन चालवूच शकणार नाही.

अपीलची संधी, पण ठरावीक अटीनुसारच

१ चालान जारी झाल्यापासून वाहन मालकाला ४५ दिवसांचा 'ग्रेस पिरीयड' (सवलतीचा काळ) दिला जाईल. त्यानंतर पुढील ३० दिवसांच्या आत दंड भरणे बंधनकारक असेल.

२ **चालानविरुद्ध ४५ दिवसांच्या आत संबंधित प्राधिकाऱ्याकडे अपील दाखल करता येईल. प्राधिकाऱ्याला ३० दिवसांच्या आत त्या अर्जावर निकाल देणे बंधनकारक आहे. अन्यथा ते चालान आपोआप रद्द होईल.**

३ प्राधिकाऱ्याचा निकाल विरोधात गेला, तर ३० दिवसांत दंड भरावा लागेल. यावर चालक न्यायालयात दाद मागू शकतात. मात्र, त्यापूर्वी दंड रकमेच्या ५० टक्के रक्कम परिवहन विभागाकडे जमा करणे अनिवार्य असेल. केंद्रीय रस्ते वाहतूक व महामार्ग मंत्रालयाने अधिकृत राजपत्रात अधिसूचना प्रसिद्ध केली आहे.

प्रधानमंत्री आवासच्या २८ लाख घरकुलांमध्ये पेटणार सौर मशाल!

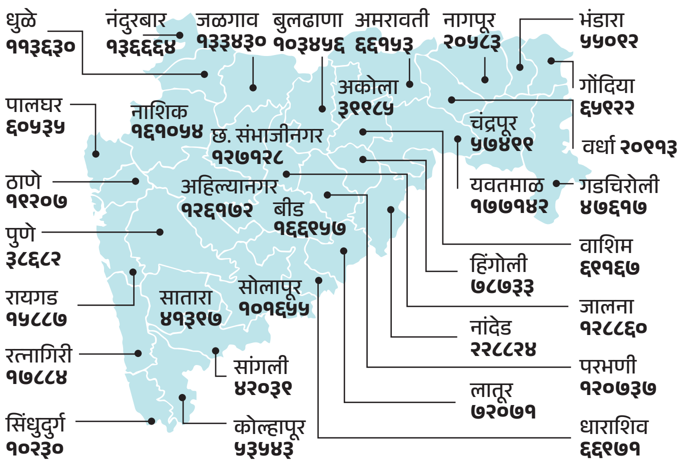
राज्य शासनाचा आनंदप्रकाश, लाभार्थ्यांना प्रत्येकी ५० हजार

कुंदन पाटील
लोकमत न्यूज नेटवर्क

जळगाव : ग्रामीण भागातील २८ लाख कुटुंबांच्या आयुष्यात उजेडाची नवी पहाट घेऊन येणारी ही बातमी आहे. प्रधानमंत्री आवास योजनेतील (ग्रामीण) टप्पा क्र. २ तसेच २०२४-२५ या कालावधीतील लाभार्थ्यांना राज्य शासनाच्यावतीने प्रत्येकी ५० हजार रुपयांचे अतिरिक्त अर्थसहाय्य देऊन या घरकुलांवर सौर ऊर्जा प्रणाली (१ किलो व्हॅट) कार्यान्वित करण्याची प्रक्रिया हाती घेण्यात आली आहे.

प्रधानमंत्री आवास योजनेंतर्गत (ग्रामीण) केंद्र व राज्याच्या हिश्श्यातून १ लाख २० हजारांचे अर्थसहाय्य दिले जाते. मात्र राज्य शासनाने गेल्यावर्षी एक निर्णय घेत अतिरिक्त ५० हजारांचे अर्थसहाय्य देण्याची तयारी ठेवली. ५० हजारांपैकी ३५ हजार रुपये घरकुलाच्या अतिरिक्त कामासाठी तर १५ हजार रुपये सूर्यघर योजनेंतर्गत वापरण्याचा निर्णय घेतला. त्यानुसार १ किलोव्हॅट क्षमतेची सौर ऊर्जा यंत्रणा जोडली जाईल.

नांदेड, यवतमाळ, बीडमध्ये लाभार्थ्यांची संख्या मोठी



कार्यपद्धती निश्चित, यंत्रणा जोडल्यावरच अनुदान

२७ लाख ८५ हजार ८१९ घरांवर उभारण्यासाठी ग्रामविकास व पंचायत राज विभागाचे प्रधान सचिव एकनाथ डवले यांनी कार्यपद्धत निश्चित केली आहे. त्यानुसार या घरकुलांमध्ये प्रकाश पेरणीसाठी प्रशासनाने सौर ऊर्जेची मशाल हाती घेतली आहे.
