INDEPENDENT AUDITOR'S REPORT

To the Members Of
Godrej Consumer Supplies Limited

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial Statements of **Godrej Consumer Supplies Limited** ("the Company"), which comprise the Balance sheet as at March 31, 2026, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity, and the Statement of Cash flows for the year then ended and Notes to the Ind AS financial statements, including a summary of material accounting policies and other explanatory information. (herein after referred to as 'Ind AS financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (Ind AS) and with other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 the profit, total comprehensive income, changes in equity and its cash flows for the year ended on date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Ind AS Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report but does not include the Ind AS financial statements and our auditor's report thereon which we obtained prior to the date of this auditor's report.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information specified above, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Ind AS financial statements

The Company's Board of Directors is responsible for the matters in Section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures, and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of the users of the Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

Annexure B to the Independent Auditor's Report

(Referred to in Para 2 (f) 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report to the members of the Company on the Ind AS Financial Statements for the period ended March 31, 2026).

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Ind AS Financial Statements of Godrej Consumer Care Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the Ind AS Financial Statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on "The internal controls with reference to Ind AS Financial Statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note")". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Ind AS Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Ind AS Financial Statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Ind AS Financial Statements.

Meaning of Internal Financial Controls with reference to Ind AS Financial Statements

A Company's internal financial control with reference to Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control with reference to Ind AS Financial Statements includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and Directors of the Company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Ind AS Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to Ind AS Financial Statements and such internal financial controls with reference to Ind AS Financial Statements were operating effectively as at March 31, 2026, based on the internal control with reference to Ind AS Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

GODREJ CONSUMER SUPPLIES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2026

1. Corporate Information

Godrej Consumer Supplies Limited (the Company) was incorporated on December 15, 2023. The Company is a fast-moving consumer goods company, manufacturing Household and Personal Care products. The Company is a public Company limited by shares, incorporated and domiciled in India. The Company's registered office is at 4th Floor, Godrej One, Pirojshanagar, Eastern Express Highway, Vikhroli (East), Mumbai – 400 079.

2. Basis of preparation, Measurement and Material Accounting Policies

2.1 Basis of Preparation and measurement

a) *Basis of Preparation*

The financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act.

The financial statements have been prepared on accrual and going concern basis.

The financial statements of the Company for the period ended March 31, 2026 were approved for issue in accordance with the resolution of the Board of Directors on April 28, 2026.

Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

b) *Basis of Measurement*

These financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities measured at fair value
- Defined benefit plans – plan assets/(liability) measured at fair value

c) *Functional and Presentation Currency*

The financial statements are presented in Indian rupees in lakhs, which is the functional currency of the Company. All financial information has been rounded to the nearest Lakh, unless otherwise indicated.

GODREJ CONSUMER SUPPLIES LIMITED
NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2026

2.2 Key judgements, estimates and assumptions

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The areas involving critical estimates or judgements are:

- i. Determination of the estimated useful lives of tangible assets and the assessment as to which components of the cost may be capitalized;
- ii. Recognition of deferred tax assets – availability of future taxable profits against which deferred tax assets can be used

2.3 Material Accounting Policies

a) Property, Plant and Equipment

Items of property, plant and equipment, are measured at cost less accumulated depreciation.

The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable costs of bringing the asset to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the item and restoring the site on which it is located. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent costs are included in the assets carrying amount or recognised as a separate asset, as appropriate only if it is probable that the future economic benefits associated with the item will flow to the Company and that the cost of the item can be reliably measured. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the statement of profit and loss during the reporting period in which they are incurred.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as “Capital work-in-progress”.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under “Other Non-Current Assets”.

Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values, using the Straight Line Method, pro rata to the period of use, based on estimated useful lives and is generally recognized in the statement of profit and loss. Useful life of asset is estimated by the management based on internal technical assessment, past trends and expected operational lives.

The estimated useful lives of property, plant and equipment for current and comparative periods are as follows:

GODREJ CONSUMER SUPPLIES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2026

Asset	Management's estimate of useful life	Useful life as per Schedule II
Plant & Machinery	15 Years	15 Years
Furniture & Fixtures	10 Years	10 Years
Office Equipment	5-10 Years	5 Years
Computers	4 Years	3 Years

Leasehold Improvements are depreciated over the unexpired period of the lease.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

b) Inventories

Inventories are valued at the lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. Costs are computed on the weighted average basis and are net of GST credits.

Raw materials, packing materials and stores: Costs includes cost of purchase and other costs incurred in bringing each product to its present location and condition.

Finished goods and work in progress: In the case of manufactured inventories and work in progress, cost includes all costs of purchases, an appropriate share of production overheads based on normal operating capacity and other costs incurred in bringing each product to its present location and condition

c) Revenue Recognition

Revenue is recognised upon transfer of control of promised goods to customers for an amount specified in the customer contract that reflects the consideration expected to be received in exchange for those goods. Revenue excludes taxes or duties collected on behalf of the government.

Sale of goods

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed and there are no longer unfulfilled obligations, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably at contract price, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as Goods and Services Tax (GST), etc.

d. it is probable that the economic benefits associated with the transaction will flow to the Company;

and

e. the costs incurred or to be incurred in respect of the transaction can be measured reliably

GODREJ CONSUMER SUPPLIES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2026

Other Income:

- (i) Dividend income is recognised when the right to receive the same is established.
- (ii) Interest income is recognised on time proportion basis.
- (iii) Profit/loss on sale of investments is accounted on the trade dates.

d) Employee Benefits

i) Short-term Employee benefits

Liabilities for wages and salaries including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are classified as short term employee benefits and are recognised as an expense in the Statement of Profit and Loss as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii) Post-Employment Benefits

Defined Contribution Plans

Payments made to a defined contribution plan such as Provident Fund maintained with Regional Provident Fund Office are charged as an expense in the Statement of Profit and Loss as incurred. The company has no further obligation over and above the contributions already made.

Defined Benefit Plans

Gratuity Fund

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. Gratuity is payable to all eligible employees on death or on separation/termination in terms of the provisions of the Payment of the Gratuity (Amendment) Act, 1972 or as per the Company's scheme whichever is more beneficial to the employees.

The calculation of defined benefit obligations is performed at each reporting period by a qualified actuary using the projected unit credit method. Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods.

Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in the statement of profit and loss.

iii) Other Long Term Employee Benefits

The liabilities for earned leaves and other long term incentives are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of

GODREJ CONSUMER SUPPLIES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2026

services provided by employees upto the end of the reporting period using the projected unit credit method based on actuarial valuation or based on management estimates.

Actuarial gains and losses in respect of such benefits are charged to the Statement Profit or Loss account in the period in which they arise.

e) Leases

As a Lessee:

The Company's lease asset classes primarily consist of leases for Land and Buildings. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease. The Company recognizes a right-of-use asset and a lease liability at the lease commencement date.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the group incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets.

f) Income Tax

Income tax expense/ income comprises current tax expense /income and deferred tax/ expense income. It is recognised in the statement of profit and loss except to the extent that it relates to items recognised directly in equity or in Other comprehensive income, in which case, the tax is also recognised directly in equity or other comprehensive income, respectively.

Current Tax

Current tax comprises the expected tax payable or recoverable on the taxable profit or loss for the year and any adjustment to the tax payable or recoverable in respect of previous years. It is measured using tax rates enacted or substantively enacted by the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretations and establishes provisions where appropriate.

GODREJ CONSUMER SUPPLIES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2026

- Current tax assets and liabilities are offset only if, the Company has a legally enforceable right to set off the recognised amounts; and
- Intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred Tax

Deferred Income tax is recognised in respect of temporary difference between the carrying amount of assets and liabilities for financial reporting purpose and the amount considered for tax purpose.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or all of that deferred tax asset to be utilised such reductions are reversed when it becomes probable that sufficient taxable profits will be available.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be recovered.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax assets and liabilities reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- i. the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- ii. the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

Deferred tax asset / liabilities in respect of temporary differences which originate and reverse during the tax holiday period are not recognised. Deferred tax assets / liabilities in respect of temporary differences that originate during the tax holiday period but reverse after the tax holiday period are recognised.

g) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, futures and currency options.

(i) Financial assets

Initial recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost is recognised in

GODREJ CONSUMER SUPPLIES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2026

the Statement of Profit and Loss. In other cases, the transaction cost is attributed to the acquisition value of the financial asset.

Subsequent measurement

Financial assets are subsequently classified and measured at

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

(ii) Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or at amortised cost. A financial liability is classified at FVTPL if it is classified as held for trading or as derivatives designated as hedging instruments in an effective hedge, as appropriate. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value and net gains and losses including any interest expenses are recognised in the statement of profit or loss.

The Company's financial liabilities include trade and other payables.

h) Provisions and Contingent Liabilities

Provisions are recognised in the accounts in respect of present obligation as a result of past event, the amount of which can be reliably estimated and it is probable that an outflow of resources will be required to settle the obligation. Provisions are not discounted to its present value and are determined based on current best estimate.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

i) Earnings Per Share

Basic earnings per share is calculated by dividing the profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- Weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

NOTE :

On November 21, 2025, the Government of India notified four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws.

The Company has assessed and disclosed the incremental impact of these changes on the basis of best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. The Company has presented such incremental impact as 'Statutory impact of new Labour Codes' under 'Exceptional items'. The incremental impact consisting of gratuity and leave encashment benefits of ₹0.78 lacs primarily arises due to change in wage definition.

The Company continues to monitor the finalisation of Central/ State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

NOTE 33 : EMPLOYEE BENEFITS

The amounts recognised in the Company's financial statements as at year end are as under:

a) **DEFINED BENEFIT PLAN**

Provident Fund:

The contributions to the Provident Fund are made to a Government administered Provident Fund and there are no further obligations beyond making such contribution.

b) **DEFINED BENEFIT PLAN**

Gratuity:

The liability for the Defined Benefit Plan is provided on the basis of a valuation, using the Projected Unit Credit Method, as at the Balance Sheet date, carried out by an independent actuary.

These benefit plans expose the Company to actuarial risks, such as longevity risk, interest rate risk and investment risk.
